Getting to spend time with girls that i would otherwise not see. And getting to teach them a skill.

### What did you like most about the season?

Seeing the girls that have never played a sport become part of a team and progress to being skilled players.

### What are you plans for next season?

My plans are to emphasize skills to produce better players.

### Who is our biggest rival and why?

I would have to say that our biggest rival is Greenbrier West. They are strong competitors and we play hard against them.

Upcoming players should be prepared to work hard and support other team members!

Attendants

There were many events going on at PCHS during the school year. One popular event was Homecoming. The individual classes elected two attendants to represent their class, and the senior class also elected three Queen and King candidates. After the class elections, the entire student body voted on Homecoming King & Queen. After an exciting Spirit Week, on October 20, 2007, Homecoming day finally arrived. After a grueling first half of the football game against Parkersburg Catholic, it was time to hear the results. Homecoming Queen was Kayla Ramsey and King was Wyatt Turner. The Warriors played a tough game and defeated the Parkersburg Catholic Crusaders 37-22.

Tina, I am overcome with so much shock and sadness today. My heart is breaking for you, your family and your beautiful daughter Kayla. She truly was a an amazing young woman who made me smile, laugh and think about a lot of things. Although I have known her for years, I only recently got to experience knowing her on a personal level and am so grateful I had that opportunity. She was so proud of you, Tina and she talked about you with admiration every day. I love you and am here for you anytime, day or night. Prayers for strength to get everyone through this tragic event.
